Dear Feedback Network Member,

This is a reminder that the Performance Measures Coordinating Committee (PMCC) will meet this Friday, October 31, 2014 from 8:30 am – 12:00 pm. Everyone is welcome to attend, either in person or via webinar. Please note, physical space is limited and is available on a first come, first serve basis. The address is: Puget Sound Regional Council, 1011 Western Avenue Suite 500, Seattle, WA. The link to register for the webinar is: <https://www2.gotomeeting.com/register/740405866>. Once you register, it is important not to share the individualized link you will receive via email with other people. You may share the link contained here with other people.

The Committee formed in response to E2SHB 2572, requiring the development of a statewide core set of performance measures to inform health care purchasing. The Committee is governor-appointed and has the responsibility of identifying and recommending a core set of starter measures to the Health Care Authority by January 1, 2015. This meeting is a chance for members of the PMCC to review and ask questions before the period of public comment begins in early November, 2014.

More information, including a roster for PMCC, past meeting agendas and recordings, as well as the Common Measures Technical Workgroup rosters and agendas, is available at:
